

Disappearance of the Outside

**Edmonton, Alberta,
in the time of COVID-19**

2020

September

University of Alberta campus

Downtown

Lesley Battler

University of Alberta campus

an inner story, only intuited

re-writing the guidelines of expectation

questioning my life goals

series of unrelated histories

resonant possibilities

melding of mutual and distinct histories

a loving touch

close attention

Downtown

deadly alphabetical recognition

last minute departures

recovered from the rubble

rising ideology

variable conditions along the trade routes

upward mobility

the huge lostness

the amount of steady necessary

wide tidal zone

permanent

Next installment:

October 2020

Butterdome area

Rogers Place
